Member bookings made simple

The free BRS Golf Member Booking App provides the fastest, easiest and most convenient way for members to book tee times at your club. Better still, the new app offers an easy way for you to stay in contact with your members and offer them on-the-go access to their home club tee sheet.

Features

Golfers can find out who is playing and what tee times are available at a glance, plus view their booking history.

Players can make bookings for both casual and competition play, as well as enter upcoming competitions.

Users can choose from their Buddy List for faster booking. It's pre-loaded in the app, and all four players can be added into one tee time.

The app is brand new technology from BRS Golf, and it allows you to capitalise on the growth of mobile booking by consumers everywhere.

Get the app

To get the app, golf courses must be BRS Golf customers. Then, simply sign up to the app at account level and it will be made widely available to your members.

The BRS Golf Member App can be downloaded from the iOS App Store by searching for "BRS Golf Members App." It can be found on the Google Play Store for all compatible Android devices.

Get Support

The BRS Golf support team can help get your club live on the system, and our representatives are also available to walk you through any technical issues.

To learn more about our offerings, contact our Account Management Team at sales@GolfNow.co.uk or by calling **Freephone Number: 00800 780 88888**.
