booking via BRS Golf

11.2 Million
member rounds
in 2017

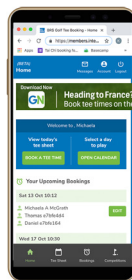

The BRS Golf Members' Module allows members to book online through the club website for casual tee times and competitions, all from the comfort of their home or office.

Key benefits

- Significantly reduces phone calls to the office and pro shop
- Reduces 'no-shows' and competition time sheet abuse
- Improves communication and participation in clubs using email, SMS and Club Messages
- Automatically enforces club policy for competition and casual tee times
- Members no longer have to continually phone to find out when tee times become available
- Eradicate the queue on the first tee and the 'ball in the chute'!
- Integration with leading membership software suppliers
- Waiting list functionality for busy competitions
- Calculation of member green fees feature available

Members can book online

Reduce your 'no-shows'

Members' frequently asked questions

What if members don't use the internet?

At BRS Golf we want all members to be able to get out on the course, and we support all types of bookings. Although our analysis shows that over 80 per cent of club members have an email address, those members who do not want to book online still have phone and pro shop or office computer options available. BRS Golf also has a Members' Booking App available for Android and Apple mobile devices.

“The BRS system is very popular with our members, and over the years has become an invaluable part of Tynemouth Golf Club's operation. It fits in nicely with how we like to manage our business and the staff that we currently have.”
